

**VILLAGE OF FOREMOST
PUBLIC NOTICE
March, 2019**

DEBIT PAYMENT

In an effort to make payments more convenient for our customers, the Village of Foremost now has Debit available for utility/tax and miscellaneous payments.

REMINDER – SEWER SYSTEM

Due to past sewer problems, please do not dispose of **egg shells, cooking grease, cooking oil, feminine hygiene products, condoms or baby wipes** through the sewer system. As well, it has been found that overuse of liquid fabric softeners and powder laundry detergents cause build-up in sewer lines, so please keep this in mind when using these items.

The Village of Foremost appreciates your co-operation with this issue in helping to keep our sewer lines clear.

SOUTH FORTY WASTE SERVICES LANDFILL SITE

Hours of Operation (Foremost Site):

Wednesday – 1:00 p.m. to 6:00 p.m.

Friday – 8:00 a.m. to 1:00 p.m.

Saturday – 10:00 a.m. to 5:00 p.m.

GARBAGE RATE INCREASE

The following change has been made to the Village of Foremost Garbage Rate: \$30.72 per billing

GARBAGE COLLECTION

Please ensure that garbage is out for pick-up on garbage days by 8:00 a.m. The schedule can often change due to emergent situations and therefore a strict schedule cannot always be followed.

Friday is Regular Garbage Pick-Up day with an extra run made on Tuesday mornings for businesses. Please remember to take grass clippings and garden refuse to the composting area and cut branches into four-foot lengths for easier pick-up. All garbage must be properly bagged and not loose in the garbage bins.

Also please keep bags to a **50-pound maximum**.

Burning Barrels will not be dumped into the Garbage Truck.

Recycling: Village Council would like to thank those individuals who have taken care in disposing of their recyclable materials in the proper manner.

Cardboard: Business cardboard will continue to be picked up on Tuesdays and Fridays. Please ensure that your cardboard boxes are **broken down, flattened and separated from garbage and in an enclosed box** to keep it dry. Please flatten all cardboard that is put into the cardboard trailer, and *no cardboard* is to be put in the garbage truck.

DOG TAGS

Thank you to all who have purchased their 2019 Dog Tag, for those who still need to purchase them, listed below are the yearly license fees required by the Village of Foremost, due January 1, of each year:

- | | | |
|----|--------------------------------|---------|
| 1. | License for each altered Dog | \$10.00 |
| 2. | License for each unaltered Dog | \$15.00 |

IRRIGATION SYSTEM

Prior to the Irrigation System start-up, please check all valves and standpipes for cracks and/or breaks, and arrange to have repairs done prior to system start-up in the spring. Estimated date for Irrigation Start-up will be approximately April 15, 2019, weather permitting.

TRIMMING OF OBSTRUCTING TREES

The Village of Foremost Public Works Staff will be trimming trees and bushes which are obstructing the Village alleys, streets and sidewalks. Overhanging branches obstructing pedestrians, equipment and/or vehicles, may be trimmed back to property line and a height to allow for free passing without branch obstruction.
