

**VILLAGE OF FOREMOST
PUBLIC NOTICE
NOVEMBER, 2018**

COMPOSTING:

The Village of Foremost has set aside an area for the composting of leaves and grass. It has been re-located to the Industrial Park, north of the new County Shop, adjacent to the large dirt piles, use access road at east end.

Please follow the following system when utilizing the composting area:

- Only leaves and grass clippings**
- Plastic Bags are to be dumped and if discarded, put into barrel next to composting area**
- No garbage, household or otherwise**
- No shrub or tree trimmings or branches**
- No metal**
- Biodegradable bags are permissible**

Your cooperation in maintaining this composting site is appreciated.

RECREATIONAL FIRES/REFUSE BURNING:

Village Council has received complaints regarding burning of refuse within the Village of Foremost.

Your consideration is appreciated as follows:

- 1) NO BURNING of garbage or refuse from household, commercial or industrial operations, other than paper products**
- 2) RECREATIONAL FIRES may only be fueled by seasoned wood, charcoal, propane or natural gas**
- 3) USE RESPECT and be aware of your neighbors when burning paper products and enjoying recreational fires**

Thank you for your consideration and co-operation.

GARBAGE BARRELS AND BOXES:

The Village of Foremost Public Works Department has been spending excessive time cleaning up contents of torn and spilled garbage bags that has spread throughout the alleys. This problem can be alleviated by having a barrel or container with a cover or a box with a lid to keep animals from tearing up the bags. Therefore, if you do not presently have a proper container, please look into purchasing or building a container for your garbage bags. This will assist in keeping the Village clean and having the Public Works staff spend less time collecting garbage.

SOUTH FORTY WASTE SERVICES LANDFILL SITE:

Hours of Operation (Foremost Site):

Wednesday – 1:00 p.m. to 6:00 p.m.

Friday – 8:00 a.m. to 1:00 p.m.

Saturday – 10:00 a.m. to 5:00 p.m.

DOG CONTROL:

The Village of Foremost would like to thank those dog owners who continue to keep their dogs from running at large within the Village of Foremost.

However, we still continue to receive complaints regarding dogs that are running loose with the Village or causing a disturbance by excessive barking.

Dogs running at large are a nuisance to other residents. They tear up garbage, damage and destroy property, and at times frighten children and adults.

Please continue to keep our Village a clean and pleasant place to live by making sure your dog is kept within the confines of your yard, unless it is otherwise restrained by a permitted leash held by a person and that lease is attached to a choke chain, collar or harness securely holding the dog.

Listed below are the yearly license fees required by the Village of Foremost, due January 1, of each year:

- | | | |
|-----------|---------------------------------------|----------------|
| 1. | License for each altered Dog | \$10.00 |
| 2. | License for each unaltered Dog | \$15.00 |

Again, the Village of Foremost would appreciate your assistance in adhering to By-Law No. 473, a copy of which may be viewed at the Village of Foremost office during regular office hours.

If you no longer own a dog, please disregard this notice.

HOLIDAY TRAILER PARKING:

The Village of Foremost requests your assistance with parking of holiday trailers during the summer months. Please refrain from leaving slides open onto streets and sidewalks and parking trailers on sidewalks. Please help us keep our streets and sidewalks safe.

FOREMOST RCMP DETACHMENT:

Detachment open Wednesday mornings from 9:00 am – 12:30 pm starting May 23, 2018
