

RECREATIONAL FIRES/REFUSE BURNING

Village Council has received complaints regarding burning of refuse within the Village of Foremost.

Your consideration is appreciated as follows:

- 1) NO BURNING of garbage or refuse from household, commercial or industrial operations, other than paper products**
- 2) RECREATIONAL FIRES may only be fuelled by seasoned wood, charcoal, propane or natural gas**
- 3) USE RESPECT and be aware of your neighbours when burning paper products and enjoying recreational fires**

Thank you for your consideration and co-operation.
